WILLKOMMEN VISITS

Corner Home Medical (Gail Bjerkos, Rayna Schmid, Mike Spurling, Teresa Runge, Rhon Stuckert and Jesse Neumann,) with Mayor Bob Beussman and the Willkommen Committee of the New Ulm Area Chamber of Commerce.

The Willkommen Committee just celebrated a ribbon cutting ceremony at Corner Home Medical. Corner Home Medical has been fulfilling the home medical supply needs of Minnesotans since 1995. It is a family owned business that began in the metro area but has since expanded to 12 locations in Minnesota, including New Ulm. The New Ulm location, at 125 N Minnesota, was open for less than a month before experiencing a fire in January that damaged the building and left the merchandise unsellable, but they have bounced back and are open for business! They carry everything from CPAP machines to knee braces to chair lifts and so much more! They try to carry many products to accommodate the needs of the community. Welcome Corner Home Medical!

The Willkommen Committee recently met with Rebecca Werner and Mary Ann Christensen of Big Ideas, Inc. Big Ideas, whose offices are located at 1227 N Broadway, Suite B., is a nonprofit organization set out to promote careers in trade. They noticed that more people were getting four-year degrees and were unable to find work, while employers were finding it hard to find young, qualified employees with trade skills, like carpenters, welders, or electricians. Big Ideas seeks to fix this problem by offering different classes in these areas to develop marketable job skills. Classes, offered through Community Education, will begin in July at the New Ulm Public High School, with varying levels of difficulty. Anyone from age 13 to 113 can sign up! Contact them at 1-866-992-4443 or BigIdeasIncNU@gmail.com for more details. Welcome Big Ideas, Inc!
