

A Legacy of Leadership Empowering the Future

# LEADERSHIP 2.0

Join Us This September!

## Enhancing Skills and Maximizing Impact

For 24 years, the New Ulm Area Chamber of Commerce has been committed to building a stronger community, one leader at a time through the Network New Ulm Community Leadership Program. Many of our 612 graduates have asked, "What's next?"

### THE ANSWER IS LEADERSHIP 2.0

Every leader plays a significant role in making a community the best it can be. This program will take a deeper dive into personal leadership and how it can impact the future of the entire community.

Leadership 2.0 is open to anyone interested in further developing their leadership skills. Graduates of the Network New Ulm Community Leadership Program (any year) will be given priority if the program is full.
