

Each year, the business community nominates and votes for a large and small Business of the Year. The nomination process will start on December 12, 2023 and end January 12, 2024. All nominations must have a completed application. The application will then be sent to the executive committee to make a final ballot. Voting and awarding recipients will take place at the Annual Chamber Meeting which will take place on February 8, 2024.

Business of the Year Criteria

The business of the year award honors our local chamber businesses for their significant contributions in the follow three categories.

- Community Involvement
- Economic Contribution to the Community
- Chamber involvement

Business of the Year Process

- Chamber members are eligible to nominate their own business or fellow Chamber members by completing this nomination form. All applications must be submitted to the New Ulm Area Chamber by 5pm on January 12, 2024. All late submissions will be disregarded.
- The Chamber Executive Committee will review the applications and select the top three (3) nominations for both the small business (30 or less) and the large business (more than 30 employees) category. For specific employee count Chamber staff may reach out to verify.
- Chamber members will vote for the winner in each category at the Chamber Annual Meeting on February 8, 2024. The winners will be announced at the end of the meeting.
